After years of contributing to the post-production of major Hollywood productions like *Arrival* (Denis Villeneuve), *Sharp Objects* (Jean-Marc Vallée) and *Midway* (Roland Emmerich), Tom became a full-time editor in 2019. Since then, he has cut several successful projects in different genres: TV series (*Big Little Lies*), feature films (*Turtles* - SXSW 2024) or documentaries (*The Bones* - CPH:DOX 2024). He also works as a director on his own short films.
